

## Labtec® webcam 3300

The Labtec® webcam 3300 enables you to enjoy sharper, more vibrant images with 1.3 MP photo capture. Video calling is made easy with a smart plug-and-play feature, removing the need to install any driver: simply connect your webcam to the computer and start your video conversation. The built-in mic and bundled headset give you the flexibility of including everyone in the conversation or keeping your chat private. The included ArcSoft® editing software lets you personalise both videos and images. USB connection; works with Windows® 98 SE, Me, 2000 & XP, Windows Vista™. Two-year guarantee, full product support.
